

Smart Collagen 10g

Highly dosed hydrocollagen shot + CollaXine™ + Vit C
Intense skin anti-aging + prekeratine for hair and nails

Premium health benefits

Highly hydrolysed 10 g collagen peptides in one shot with an absorption capacity of 91%.

Vitamin C contributes to a normal collagen formation. With Keraboo™ technology.

Natural strawberry flavour
0% sugars, 0% sweeteners

How to use

Easy to drink, even without water. 2 to 5 shots per week, depending on your age.

We recommend to take Smart Collagen 10g for a minimum of 3-6 months.

Longterm intake is a recommendation by experts, in combination with exercise and healthy nutrition.

All formulas of Insentials can be combined at the same time.
